

TEN MILE
INTERCHANGE

Connecting Idaho

- The Ten Mile Interchange Project is part of the Connecting Idaho plan to improve I-84 between Caldwell and Meridian. Connecting Idaho provides funding to make Idaho's highways safer and more efficient for people and commerce.
- Passed by the Idaho Legislature in April 2006, the legislation authorized the sale of \$200 million in Grant Anticipation Revenue Vehicle (GARVEE) bonds for the first year of Connecting Idaho.
- Design of the Ten Mile Interchange Project is funded by a portion of the 2006 Connecting Idaho authorization. Additional funds will be needed for construction.
